

# summer racketball league

We are looking for new players to join Dean's racketball team that play in the friendly summer league against various clubs in and around Edinburgh.

The league runs between April and August with matches roughly every fortnight (see below)

Racketball is very similar to squash and just as fun!  
No experience is necessary and ***all abilities catered for!***  
We also have spare rackets you can use

Anyone who is interested in taking part (or just giving it a try) please contact Michael Clarkson on
