

DEAN T&SC: COVID 19 – SQUASH RISK ASSESSMENT

19th July 2021

A risk assessment was conducted at the club by Jerry Williams, Liz Falconer and Michael Clarkson on 31st August 2020 prior to opening for solo / household squash

Risk assessment was done again on 17th July 2021 by Jerry Williams and Michael Clarkson and updated accordingly prior to opening for full squash on 19th July 2021.

Key areas identified as risk for Covid-19 transmission through contaminated objects or surface and agreed action:

Risk	Action
Common surfaces that will be touched by members: Door from court 1 viewing balcony into corridor Door from corridor into court 2 viewing area Doors into both courts Light switches for both courts	Door from court 1 viewing balcony into corridor and door from corridor into court 2 viewing area will be kept open Disinfectant spray and wipes provided next to court doors and light switches and members advised to wipe surface after touching. Sign will be placed next to those areas
Toilet area	Disinfectant spray is provided in both the male and female toilets to be applied to the toilet seat and flush after use Handwashing facilities are available in both changing rooms and toilets
Risk of contamination on other surfaces	Hand sanitiser provided at entrance and members advised to use before and after use Sign will be placed next to those areas Close changing rooms and shower area (apart from toilet) and club-room to minimise risk Sign will be placed next to those areas

Key areas identified as risk for Covid-19 transmission through close contact:

Risk	Action
Close contact due to players arriving / leaving at the same time	<p>Players asked to finish 10 mins before booking slot. This buffer period allows time to wipe surfaces and leave building before next players arrive</p> <p>Members required to book a court in order to play</p> <p>Court 1 and 2 booking times are already staggered to minimise numbers entering/exiting club at same time</p>
Any other contact with members within clubhouse	<p>Face masks required before/after play</p> <p>Members advised to maintain 1m social distancing, leave the club without delay after playing and not to socialise with other members.</p>

We have a telephone number for the vast majority of our members. We have asked members to check and update their number (through either the membermojo or booking website) in the comms emailed and printed off in the clubhouse walls. If we are asked by public health officers to provide the names, numbers, data/time of visit of members, as part of Test & Protect, we will retrieve the info from the booking website / membermojo

All guidance is detailed in a document that will be emailed to members and printed and placed in various parts of the clubhouse. Specific signs will also be placed in clubhouse where indicated above.

The Scottish Squash guidance has been read and adhered to

Michael Clarkson has been appointed Covid officer and has registered with Scottish Squash.
